

Overdue Membership Fee Policy

Adopted by the Karma Co-op Board at the July 5, 2017 Board of Directors Meeting

When a member's annual fee is 3 months overdue, their membership account will be changed to guest shopper status and the member will be subject to the temporary guest surcharge until the outstanding fee is paid. Once the membership fee is 6 months overdue, the member will be considered inactive and their membership will be suspended from Karma's system at which point the individual is still welcome to shop as a guest.
